

cross hill quarry map

Location

Cross Hill Quarry is situated north of Clitheroe along the Ribble Way and is continuous with Brungerley Park. Approach from the Waddington Road (through Brungerley Park) or from West Bradford Road (opposite the chimney of the Castle Cement Works). Cars can be parked on the West Bradford Road.

Access

Public footpaths pass through the LNR from the Waddington and West Bradford Roads and the Ribble Way also passes through the reserve. You may visit without a permit at any time but please beware of rocks falling from the steep faces in the main quarry. Any climbing is strictly forbidden without written permission from the Trust. Cycling/mountain biking is not permitted.
