

cuerden valley park map

Location

South of Preston and north of Chorley. Easy access from junctions 28 and 29 on the M6 and junctions 8 and 9 on M61. Car parking as shown on the map. Regular bus service from Chorley and Preston along the A6. Nearest railway stations at Bamber Bridge and Leyland.

Access

Open at all times with car parks and network of paths. Access for the disabled: because of the topography, some paths are stepped but all the kissing gates are large enough for wheelchairs. The track from Town Brow to the picnic area for the lake is along level ground. An electric scooter is available for use within the Park Monday to Friday, Information can be obtained from the Barn, Trust headquarters and visitor centre. Vehicle access to the lake for disabled anglers (and others) can be arranged.
