

longworth clough map

Location

Longworth Clough lies within the valley of Eagley Brook. It is on the northern outskirts of Bolton, about 1km (0.5 mile) northwest of Egerton and the same distance southeast of Belmont. Parking is possible in rough lay-bys on the Longworth Road. Vehicles are left entirely at the owner's risk. Buses run through Egerton and Belmont from Blackburn and Bolton.

Access

The nature reserve is open to the general public and several public footpaths pass through it. In the interest of wildlife conservation and your own safety please stay on the footpaths. Some of the fields have livestock grazing them, please ensure your dog is on a lead at all times.
