

# Haslingden Grane

## Health and safety tips for walkers

- Walkers are advised to wear suitable clothing and footwear, sturdy shoes, sunscreen, in sunny weather, waterproofs and layers in cold weather
- Keep to paths, leave gates as you find them
- Carry a mobile phone with you or advise someone where you are walking
- Dog walkers keep their dogs on a lead
- Please take your litter home & keep the countryside tidy
- Obey and follow signs provided for your safety
- If walking in evening or dark periods, reflective or light clothing is advised to help make you more visible
- On roads where there is no pavement, it is advised to walk on the right hand side so on-coming traffic can see you.

## Walks for Health Disclaimer

The route on this leaflet was assessed in December 2005; Groundwork Rossendale takes no responsibility for changes to the route. All routes are on public rights of way. The information contained in this leaflet was correct at the time of printing. Landowners, Groundwork Rossendale and partners accept no liability for accidents on these walks. Persons participating in the walk do so at their own risk.

## Haslingden Grane Route Description

- (1) Beginning at the car park at Calf Hey, exit the car park and follow the track at end the of the car park down towards the reservoir, but at the picnic site, turn left here through the gate and drop down across the dam to the far side. Go trough the gate and turn left to cross the stile and then up the path to the lonesome tree. Turn right here following the path as it winds across the moorland to the trees ahead. Go through the gate and behind the plantation down to a bridge. Cross the bridge and then up along the path to another bridge. Cross the second bridge and up the path and just a few yards from the steps is a post on your left.
- (2) At the post turn left following the narrow little path as it winds up passed a seat and out to the edge of the plantation. Pass the stile and keep ahead to the gate going through turning right following track as it drops down over a brook and up left of an old farm. Follow track round onto an old farm track passed another set of farms to a lonesome set of trees. Keep ahead towards the stone wall at the far side. You will pass another RW post before turning right along the stone wall to another RW sign. Turn left here across the field along side the narrow gorge to your left as you go. Eventually coming to a trough area for sheep and onto another farm track, following this round as it bends right passed another RW sign and to a T-junction. Turn left here over the stile and onto the main road.
- (3) Turn right along the road edge to the stone stile on your right, cross and bear left following the path away from the road to a metal gate. Use the stile provided and continue along till you come a post on your right indicating different footpath routes. Turn right through the gap in the stone wall and head down across the field to the far corner and another stile. Cross and bear left following the edge of the stone wall down to another gate over a wire fence. Cross this stile turning left and over another stile, turn right and over the last stile. Head down the track round to the left and passed Ormerods and onto a tarmac path. Turn left and follow this path along up the slope to return back to the car park.
