

Wycoller Country Park

Wycoller Country Park is one of the prettiest Country Parks in Lancashire.

The area is famous for its association with the Brontë sisters who referred to many of the nearby landmarks in books such as "Wuthering Heights" and "Jane Eyre". The exclusion of cars from the village and the attractive appearance of the many preserved old buildings creates a unique feeling of tranquillity which is rarely experienced today. The Country Park has many footpaths leading to local beauty spots which include View Point Rocks', near Bank House and Wycoller Beck. Disabled toilet facilities are provided within the Country Park as well as an information centre at the Aisled Barn.

PUBLIC TRANSPORT

The railway terminates at Colne with a regular service from Burnley, Accrington, Blackburn and Preston. Burnley and Pendle Joint Transport run an hourly bus service from Burnley, Nelson and Colne, stopping at Laneshaw bridge and Trawden and an hourly National Express Coach service is available between Colne and Keighley stopping at Laneshaw Bridge. It is then a one and a half mile walk by public footpaths to Wycoller.

MAP & Directions

Wycoller is located approximately 4km east of Colne and may be approached from a number of directions. Via the A65 through Burnley, Nelson and Colne; the A6068 from Keighley; the A59 from Skipton or the old road from Haworth to Laneshaw bridge.
